A production by Inclusive Tourism Australia and The Access Agency, the Accessible Visitor Guide was commissioned by the City of Gold Coast in partnership with Destination Gold Coast. In honour of 2023 being Queensland's Year of Accessible Tourism, this key tourism initiative was made possible via matched funding received from Tourism Events Queensland (TEQ) Contestable Grant Fund.

Mayor's Foreword

Connecting people with places and creating rich memories is at the heart of what the Gold Coast is all about. As Australia's number one tourism destination we know how important it is to ensure everyone can experience the city's warm hospitality.

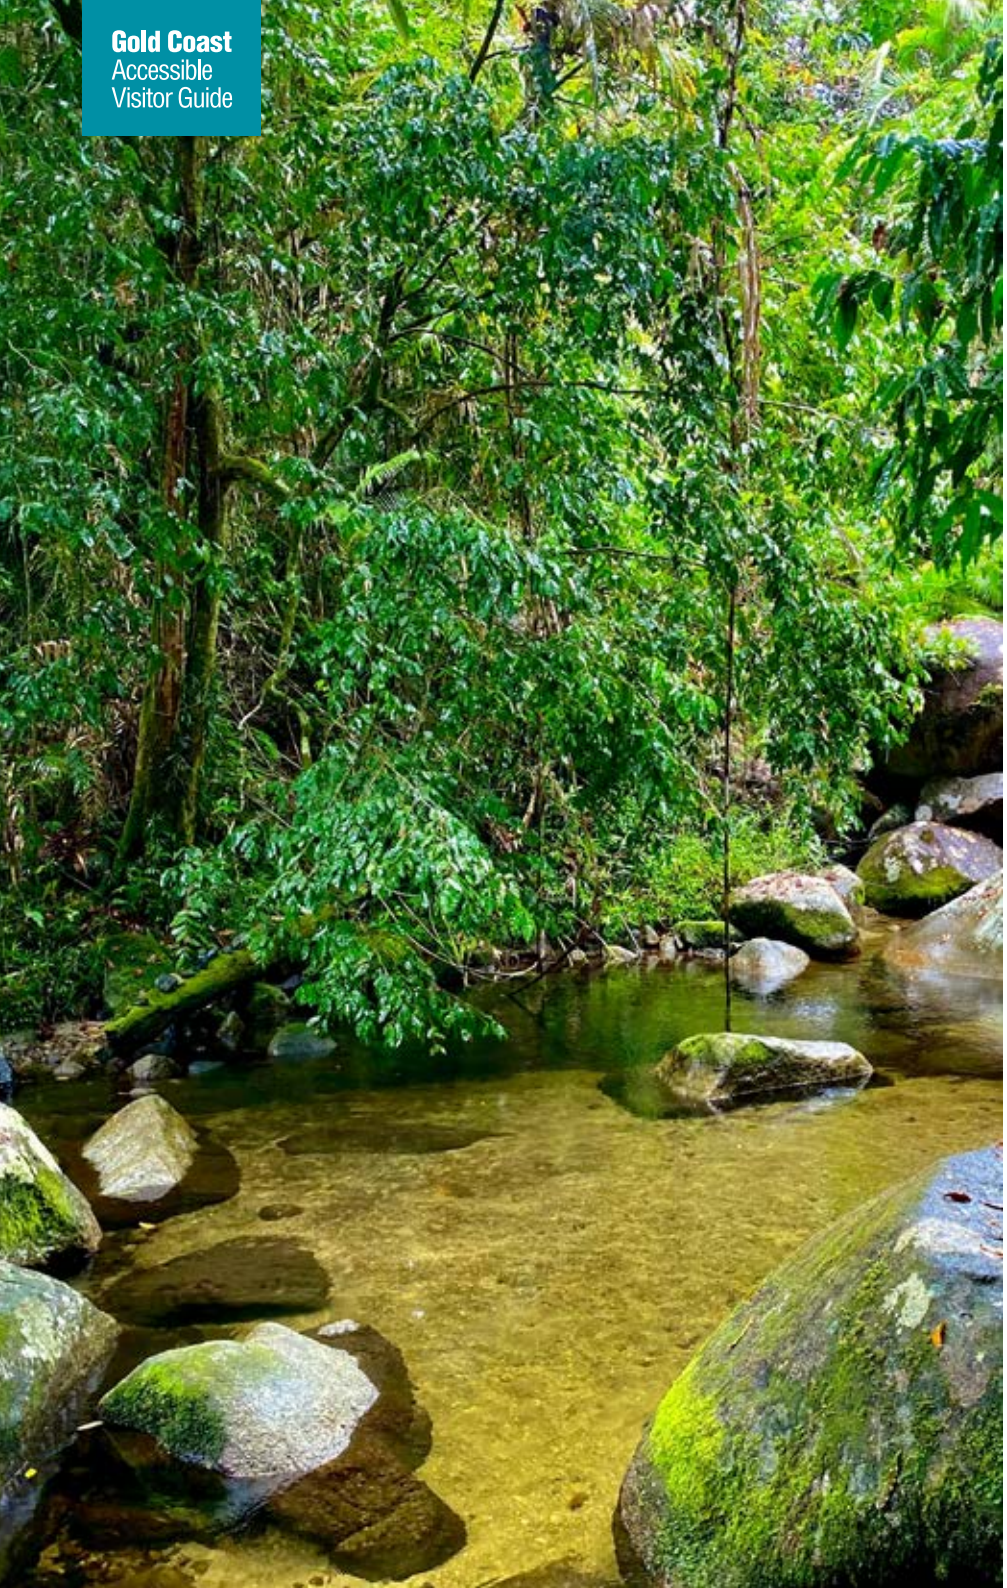

Accessibility and inclusiveness are key to enhancing a visitor's experience and this Accessible Visitor Guide is just one way to highlight key programs and facilities in place to support our valued visitors.

In 2023, the Gold Coast hosted the Accessible and Inclusive Tourism Conference for the Asia-Pacific. This international forum has helped the City refine its approach to accessibility and inclusiveness including major investments in purpose-built facilities at city parks, foreshore playgrounds, and accommodation precincts as well as retail and shopping destinations.

In 2032, we will welcome millions of new visitors as part of the Brisbane Olympics and Paralympics programs. The Gold Coast will host at least 14 events and as a city, we have already endorsed the Gold Coast 2032 Legacy Strategy. The strategy is ensuring new upgrades to community venues, transport networks, sports centres, and green spaces are both accessible and inclusive in every way.

I look forward to continuing to partner with stakeholders to help the Gold Coast evolve to become one of the world's greatest lifestyle cities.

Tom Tate, Mayor

Experience Gold Coast Foreword

The Gold Coast is increasingly recognised as one of Australia's most inclusive cities, offering visitors greater confidence, comfort and independence when experiencing everything our destination has to offer.

As Australia's lifestyle capital, the Gold Coast is a destination defined by natural beauty, world-class attractions, and diverse experiences.

From iconic beaches and World Heritage-listed hinterland to a year-round calendar of events – and every visitor touchpoint in between – the Gold Coast continues to evolve as a place that welcomes everyone.

We are proud of the progress being made across the city to improve accessibility and create more inclusive visitor experiences. This guide has been developed to support informed travel planning by identifying accessible experiences, services, and facilities throughout the Gold Coast.

Whether you're here to relax, explore, connect with nature, or spend time with family and friends, we hope this guide helps you make the most of your visit.

John Warn, Chief Executive Officer

Welcome

The Gold Coast is one of Australia's favourite playgrounds welcoming millions of people every year. We aim to be accessible and inclusive to all visitors. While there's always work to be done, this Accessible Visitor Guide is a step forward.

Information about accessibility is important when you're looking for great travel experiences providing useful information.

The City of Gold Coast and Experience Gold Coast have partnered to produce the 'Gold Coast Accessible Visitor Guide'.

We hope it covers what you need to plan, book and travel with confidence, and we hope you'll find it useful for your stay.

We're open to your feedback. Please let us know if there is anything you'd like to see in future updates.
Email us at industrypartnerships@experiencegoldcoast.com

Using this guide

We've designed this document with the details in a 'question-answer, detail' format to explain the access features. See below for an example.

Each property listing covers essential things like parking, toilets and rooms - we also list details around property facilities such as pool access, pathways, lifts and access in common areas. (The ratings allocated to properties are an indication only and are garnered from online sources).

We use the word 'good' as a general, subjective term – we know access is different for everyone so please consider the details in the listing to see if they'll work for you.

What is 'easy access'?

Occasionally you'll see the term 'easy access' - this describes rooms that may not have grab rails or a roll in shower, however they offer some accessible features, like a hand held shower head. See the listing details for more.

Transport

The Gold Coast is gaining a reputation as one of the most inclusive cities in Australia and is a preferred destination for travellers with accessibility needs.

An extensive and accessible public transport system includes bus, train, tram and ferry services as well as accessible taxis and ride-share services.

Here's an overview of different modes of public transport and links where you can find out more detailed information on each one.

Gold Coast Airport

Gold Coast Airport (GCA) is committed to providing a supportive and inclusive experience that gives everyone the confidence to travel.

Your journey begins with a range of pre-planning tools carefully designed to help you prepare in advance. Combined with an inclusive airport environment, it supports a smoother, more comfortable experience. Services and facilities include accessible pick-up and drop-off areas, a front of terminal taxi call-up point, accessibility friendly areas at baggage reclaim, communication boards and terminal practice runs.

GCA also offers an extensive Hidden Disability Program with a range of initiatives including therapy dogs, a terminal sensory map, dedicated quiet rooms, virtual tours and both written and visual social stories. In addition, we also support the Sunflower Lanyard Program which provides travellers a discreet way to indicate they may need extra support, helping create a more understanding and inclusive airport experience.

Resources are available on Gold Coast Airport's website including, a downloadable accessibility guide, outlining the facilities, services and resources designed to make travelling through the airport as easy and enjoyable as possible.

Central Gold Coast

Central Gold Coast is the heart of the city, with luxury hotels, sun-soaked cafés, entertainment venues, beachfront markets and kilometres of coastal pathways set against a backdrop of pristine beaches.

Visit Surfers Paradise and Broadbeach for a thriving bar and dining scene, a casino precinct (The Star), and a variety of accommodation options with ocean views. Breakfast at alfresco cafes, soak up the stunning coastline and enjoy family fun at mini golf, games arcades and the iconic Cavill and Broadbeach Malls.

Explore the sparkling waterways weaving through this region with accessible water activities, indulge at luxury shopping and entertainment precinct, Pacific Fair, or discover local culture and a world-class art gallery at HOTA – Home of the Arts.

Southern Gold Coast and Hinterland

It's all about the beach on the Southern Gold Coast - think coastal adventures, learning to surf, crystal clear creeks, surf club dining and a more laid back pace.

Foodies will find plenty to love about this region which stretches from Palm Beach down to Coolangatta, with farmers markets, lively cafés and numerous restaurants to choose from. You'll also find cool retro hotels, craft breweries and surf clubs overlooking world famous surf breaks.

Hang out with hundreds of native and exotic animals at Currumbin Wildlife Sanctuary, paddle board on Currumbin Creek or bring the family for a picnic on the banks of Tallebudgera Creek, voted one of Australia's best swimming spots. Head out to Currumbin Valley to explore swimming holes and rainforest walks.
